€50 per 1 tCO2e

1 kgCO2e=.05 euro

(multiply the number of kgCO2e by .05 to get the euro amount to be paid)

This calculator is guided by the Irish Carbon Tax figure of €48.5 per 1 tonne CO2e (rounded off to €50/tCO2e for ease of calculations). This figure will be adjusted annually in line with the changes to the national Carbon Tax figure.

Upon completing this form you will receive a confirmation email with your calculated amount of voluntary environmental investment donation (50% of cost based on entered emissions), and the bank details for making the bank transfer to Lough Grainey Nature Sanctuary.

Once your organisation has completed the bank transfer you will receive a certificate of voluntary environmental investment donation paid to Lough Grainey Nature Sanctuary

Lough Grainey Nature Sanctuary is a registered Irish charity, charity number 20205684
