# 1. About the Dance Project Award

---

## 1.1 Deadline for submission of applications

All applications must be made using the Arts Council's Online Services.

The deadline for receipt of applications is:

**5.30pm, 29 August 2013**

## 1.2 Objectives and priorities of the award

The Dance Project Award supports initiatives in the field of Dance commencing in 2014.

The purpose of the award is to support ambitious, high-quality, stand-alone initiatives that specifically deliver a presentation to or an engagement with an audience or public.

The Arts Council has identified the following types of project as strategic priorities for support through this award:

- Projects that seek to develop audiences for dance on the basis of partnerships with one or more presenting venues, festivals or networks
- Projects that offer clear evidence of income from box office and other sources that is in excess of the grant requested (e.g. income from partnerships, sponsorships, inter/national co-productions, in-kind, additional funding bodies, etc)
- Projects that create opportunities to extend the life of the work by securing other performance venues within the finite parameters of the project.

## 1.3 Who is eligible to apply?

The award is open to individuals and organisations working in Dance. To be eligible to apply applicants must:

- Be resident in (the Republic of) Ireland
- Not be in receipt of funding under any Arts Council recurring grant programmes.

There are certain exceptions where the Arts Council may deem eligible applications made by those based outside (the Republic of) Ireland. However, before admitting as eligible any such application, the Arts Council would need to be satisfied that the outcomes of any such proposal would benefit the arts in (the Republic of) Ireland.

### Who is the applicant?

The applicant is the person or organisation that will receive any grant offered and who will be required to accept the terms and conditions of that grant.

Any grant offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant (individual artist or arts organisation). For example, if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details must be in that name. Variations such as Mary Barry or Barry Studios are not acceptable.

## 1.4 Who is not eligible to apply?

Applicants who are not eligible to apply include the following:

- Organisations in receipt of funding under any of the main Arts Council grant programmes (Regularly Funded Organisations, Annual Funding, Annual Programming Grant)
- Individuals or organisations who do not have a demonstrable track-record as professional artists / organisations
- Individuals currently in undergraduate or postgraduate education.

## 1.5 What may you apply for?

Established dance artists with five years or more of professional experience may apply for up to €40,000.

Emerging dance artists with two or more years of professional experience may apply for up to €20,000.

The Arts Council is committed to equity and inclusion, and welcomes applications from individuals or groups within culturally diverse communities and from people with disabilities. In addition to the normal limits stated

above the Arts Council will also consider costs specifically relating to the making of work by artists with disabilities. If you wish to apply for additional funding on this basis you should provide information with your application outlining what these additional costs are.

### How much funding should you apply for?

In applying for Dance Project Award funding, you are required to submit a detailed budget listing all items of income and expenditure relating to your proposed project.

The maximum amount you may request is the difference between the **proposed expenditure** and the **proposed income** you indicate in the budget.

- Proposed expenditure should include all fees, wages, technical costs, promotion and publicity costs, administrative costs, and so on.
- Proposed income should include what you expect to receive from other funders, box office receipts, programme sales, and so on.

It is also important to reflect all in-kind support in both income and expenditure, so reflecting the full and true value of your proposal.

---

#### Note on in-kind support

If you expect to receive in-kind support, you need to put a financial value on it so that the contribution it makes to the real value of your proposal is clear. You should think of in-kind support both as expenditure and as income: whatever amount you declare on the expenditure side you should also declare on the income side.

Time contributed by directors or board members may not be reckoned as an in-kind cost.

---

You are asked to indicate income, expenditure and amount requested at three stages during your application:

- On the detailed budget that you submit as part of your application
- Online, when you initiate the application (totals only)
- In section 3 of the Application Form.

Make sure that the totals are the same on all three; and make sure that the amount requested equals TOTAL EXPENDITURE minus TOTAL INCOME.

## 1.6 What may you not apply for?

You may not apply for more than one project-type award (in any artform/arts practice) in any one round of funding. Activities and costs that you may not apply for include the following:

- Major capital purchases
- Ongoing core costs
- Activities or costs that do not fit the purpose of the award
- Activities which are more suited to another award funded by the Arts Council or operated by other State agencies such as Culture Ireland
- Activities that have already taken place or which will have commenced before a decision is made on your application – as it can take up to 12 weeks from the closing date for this award before a decision is delivered on your application, you should not start activities until after this period
- Activities undertaken for charity fund-raising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council, except in cases where the Council has specifically advised you to redirect your application to this award. Please bear in mind, however, that you should not regard such advice as an indication of likely success in your application
- Projects that solely involve the touring of existing productions.

## 1.7 What support material must you submit with your application?

In order to be considered eligible for assessment for a Dance Project Award you **must** submit the following support material online:

- A completed Project Award application form
- A detailed budget setting out proposed income and expenditure for the project
- Detailed up-to-date written CVs (three pages max.) of all the artists involved in the proposed project

- Evidence of any financial support or sponsorship identified in the project budget – for example, this could be a memorandum of understanding, a letter of offer, a statement of support, or a similar document
- Video clips showing examples of recent work.

If your proposal involves working with children or young people then you must provide a copy of your *Child Welfare Protection Policies and Procedures*.

If your proposal involves working with animals then you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

**If you do not submit the required supporting material, the Arts Council will not be able to make an assessment of your application and it will be deemed ineligible.**

### **Optional support material**

In addition to the required support material listed above, you may also submit any other material you consider relevant to your application.

### **Format for support material**

All support material for the Dance Project Award must be submitted online. Please follow these guidelines for video files.

Include all contextual information for sound and video files in a clearly-labelled text file.

---

<b>Video files</b>	For any video files you submit, you must provide relevant contextual information. This might include details of the piece, when and where it was performed, thematic / general comments, the names of performers, how the work was financed (e.g. award, self-financed). Extracts should be no more than three minutes long, and no more than three extracts should be submitted.
--------------------	---

---

## 2. Making your application

---

### 2.1 Register with the Arts Council's Online Services

All applications for project awards must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted.

To register as a user of Online Services, go to [www.artscouncil.ie](http://www.artscouncil.ie), choose the Online Services tab and follow the prompts for **New user? Sign up**.

Within five working days you will be issued (via email) with a unique ARN (artist reference number) and password which you can use to sign in to Online Services.

#### Requirements for using Online Services

Your computer and internet browser will need to meet the following requirements to use Online Services successfully:

---

<b>PC</b>	Windows XP or higher <i>with</i> Internet Explorer 7.0 or higher OR Firefox 2.0 or higher
-----------	---

---

<b>Mac</b>	Mac - Mac OS X v10.5 Leopard or higher <i>with</i> Safari 3.1 or higher OR Firefox 2.0 or higher
------------	--

---

**Please note:** You will also need to have Microsoft Word or OpenOffice installed to complete the application form itself. OpenOffice is free software which you can download here: <http://www.openoffice.org>.

If you cannot meet or do not understand any of these requirements, please contact us for advice as far as possible in advance of the deadline.

#### Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare and submit well in advance of the deadline.

Upload times can be much longer than download time. It may take you longer than you think to upload your support materials.

There is frequently a high volume of enquiries and phone calls on the day of any funding deadline so if you have a last minute query you may find it more difficult to get through to us.

If you experience technical difficulties at any time while making an online application you can contact the Arts Council for help by emailing [onlineservices@artscouncil.ie](mailto:onlineservices@artscouncil.ie).

### 2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Word document which you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

#### Making your case

In order to make the very best case for why you should receive an award you should give very careful consideration to what you include in the following sections of the form:

---

<b>2.2 Summary of your proposal</b>	Give a summary of your proposal (up to three short points). Should your application be successful, this summary will be published on the <b>Who We've Funded</b> pages of the Arts Council's website – for that reason, you should keep in mind that what you write may have a wider audience beyond the Arts Council assessors.
-------------------------------------	---

---

<b>2.3 Detail of your proposal</b>	What you write here is a key part of your proposal, and should help those involved in assessing your application to understand the full scope of what you want to do and why.
------------------------------------	---

---

---

It is important to cover both the artistic and practical aspects of your proposal. This might include details of your artistic goals and ambitions, the wider context in which you are making the proposal, and any other information you consider relevant. It might also include practical details such as schedules, information on key partners, and any other administrative, technical or financial details you consider relevant.

---

**2.4 Your application and the assessment criteria** Describe how your application meets each of the assessment criteria for a project award – see **3.3 Criteria for the assessment of applications** on page 8.

---

## 2.3 Prepare any support material required for the application

You are required to include support material with your application. Typically this include samples of your current work – for example, text, video, images, or sound recordings.

You must submit all such support material online; so, if necessary, you need to scan or save material in electronic format.

### Acceptable file formats

The following table lists file formats that are acceptable as part of an application for a project award.

File type	File extension
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	Quicktime/.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Reader files	.pdf

Gather together all the files you need in an accessible location on your computer.

### Exceptions

For some artforms and art practices there are exceptions and special cases in relation to the requirement to submit all material online and in relation to acceptable file formats. Any such exceptions are noted in section **1.7 What support material must you submit with your application?** on page 3.

### Uploading web links

You may provide links to material hosted on YouTube ([www.youtube.com](http://www.youtube.com)) instead of uploading the material directly.

To do this, copy the URL (the full address of where your material is hosted on YouTube) into a Word document or equivalent and upload that document.

Check that the link works from within the document you upload – that is, that it links correctly to your material on YouTube.

If you do not wish material you upload to YouTube for the purposes of your application to be publicly viewable, you can flag your video as 'unlisted' in its settings.

### Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent. For example it should be clear from the file name whether the document is a CV, a sample text or a review of previous work.

---

<b>Good file names for an applicant called Jack Russell</b>	russelljack Dance project application.doc
	russelljack performance clip.mp4
	russelljack Dance project budget template round 2.xls
	russelljack Child Protection Policy.doc
	russelljack youtube link.doc

---

The total combined limit for all support material uploaded with a single application is **40MB**.

## 2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it

### 1: Choose funding programme and download application form

To start a new application, you click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so.)

### 2. Request funding amount

At this stage you specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The amount you request should equal **Total expenditure** minus **Total income**. The final figures you enter here should be the same as those you enter in section 3 of the application form and on your detailed budget.

### 3. Upload application form and supporting material

Follow the prompts to upload your filled-in and saved application form, your CV and any other required support material (see **1.7 What support material must you submit with your application?** on page 3). You don't have to upload everything at the same time. You can save your application as a draft, and come back to it later.

### 4. Submit application

When you are satisfied that you have uploaded everything you need to support your application, press **Submit**.

## 3. Processing and assessment of applications

---

### 3.1 Overview

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for making awards is fair and transparent.

### 3.2 The assessment process

All applications received are processed by the Arts Council as follows:

- 1 The application is acknowledged.
- 2 The application is checked for eligibility – all eligible applications then progress to the assessment stage.
- 3 Adviser(s) and/or staff make a written assessment of the application.
- 4 Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.
- 5 A peer panel reviews all shortlisted applications and makes recommendations.
- 6 Decisions are authorised by Council.
- 7 Decisions are communicated in writing to applicants.

#### Timeframe

The Arts Council endeavours to assess applications as quickly as possible, but the volume of applications and the rigorous assessment process means that it will take up to 12 weeks from closing date to decision.

### 3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the application form and the support materials submitted. All applications are assessed against criteria of **a)** artistic merit, **b)** how they meet the objectives and priorities of the award, and **c)** feasibility – each of these criteria is described in turn.

#### Artistic merit

The assessment of artistic merit focuses on the applicant and those involved in the project as well as the nature of the proposed arts activity and might include, among other things, consideration of:

- The quality of the idea and the proposed arts activity
- The track record of the applicant and the artistic personnel involved in the project as evidenced in their CVs and other support material submitted
- The potential of the applicant and the artistic personnel as evidenced in the application form and the support materials submitted
- The ambition, originality and competency demonstrated in the proposal
- How the application demonstrates innovation, experimentation and collaboration.

#### Meeting the objectives and priorities of the award

Applications are assessed on how well they meet the objectives and priorities of the award – see page 2 for details of these.

#### Feasibility

The assessment of feasibility considers the extent to which the applicant demonstrates capacity to deliver the proposed activity. This includes but is not limited to consideration of:

- The track record of personnel involved in managing, administering, delivering the project
- The extent to which the applicant demonstrates the provision of equitable conditions and remuneration for participating artists
- The extent of involvement or commitment of identified project partners
- The proposed budget
- Other sources of income

- The availability of and access to other resources
- The proposed timetable or schedule.

### **3.4 Peer panels**

The purpose of peer panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information. Panellists receive a summary of each shortlisted application in advance and have full access to all submitted material on the day of the assessment.

### **3.5 Outcome of applications**

All applicants are informed in writing about the outcome of their application.

If your application is successful, you are sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications and demand for funding always exceeds the available resources. If your application is not successful you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible, however, to apply for another Arts Council award to do the same activity. If the Arts Council feels that the proposed activity would have been more suited to a different award programme an exception may be made. In such circumstance you will be informed in writing.

#### **Appeals and complaints**

If you feel that the Arts Council's procedures have not been followed, check the Appeals and Complaints Procedure, or contact the Arts Council for a copy of the Appeals and Complaints information sheet.

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or a deviation from, the Council's published procedures. For details of the appeals process, see [http://www.artscouncil.ie/en/fundInfo/funding\\_appeals.aspx](http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx).
