

Theatre Development Funding Scheme

For programmes beginning in 2012

Guidelines

Deadline 5.30pm, 17 May, 2012

General advice

- read these Scheme Guidelines **thoroughly** before you begin making an application: they may have changed since the last time you read the equivalent guidelines for a previous round of the same award;
- plan your application well in advance and allow plenty of time to submit your application online;
- remember that several people will be involved in making a decision about your application – so make your application clear, concise and unambiguous;
- do not assume that the assessors will know you or your work. Treat each application as if it were your first;
- have a clear and realistic idea of what you want and how much your proposal costs, and make your budget as clear as possible;
- ensure you include the supporting materials that are **essential** and be selective with other items;
- have someone else look over your application before you submit it.

Section 1 - About the scheme

Name of scheme Theatre Development Funding Scheme

Deadline **5.30pm, Thursday, 17 May 2012.**

PLEASE NOTE: applications must be submitted using the Arts Council's online services website. Please allow plenty of time to ensure that you meet the deadline. Do not leave your application until the last minute, as you may miss the deadline if you encounter any technical issues. ***Applications will not be accepted after the deadline under any circumstances.***

Available funding The maximum amount awarded to each successful application will be **€30,000.**

Aims and priorities of scheme The purpose of this scheme is to offer theatre and other arts organisations the opportunity to offer developmental or training programmes to groups of individual theatre artists in a mentored environment, or to offer opportunities to groups of theatre artists to propose their own developmental ideas to organisations. The design and content of each development programme will be entrusted to the applicant organisation. It is understood that the programme proposed will have been agreed with any relevant partners, or already have demonstrated its feasibility through a successful iteration. The scheme is applicable to development programmes designed to benefit theatre artists working in all genres of theatre who have demonstrated a track record in, and commitment to, professional theatre practice¹.

The aims of this scheme are as follows:

- to offer opportunities to theatre artists² to develop their practice in a supported way;
- to offer opportunities to organisations who undertake development and/or training initiatives to fund those activities directly;
- to encourage the development of long-term planning and sustainability of development and training activities within professional theatre.

Priority will be given to proposals based on:

- the relevance of the applicant organisation's track-record/experience to the content of the proposed development programme;
- the clarity of the proposed activities as part of a coherent development programme;
- the extent and quality of engagement with individual theatre artists;
- the suitability of the artistic and administrative resources available to the proposed development programme;
- the positive level of engagement and reciprocal support between all parties involved in the proposed development programme.

The scheme requires the committed support of the applicant organisation(s). Priority will therefore be given to those organisations who have a track record for developmental work with a range of artists and who have committed some of their own resources (either in cash or in kind) to their proposal.

¹ The Arts Council's definition of a 'professional' artist for funding purposes is one who identifies him/herself and is recognised by their peers as a practicing professional artist.

² The definition of 'theatre artists' for the purpose of this scheme is a individuals who works primarily as professional artists in a creative, managerial and/or curatorial capacity in a theatre context. This could be directors, theatre makers, designers, actors, playwrights or producers.

Who is eligible to apply?	Applications are welcome from arts organisations with a track record for training and development initiatives for the benefit of professional theatre artists. Priority will be given to those applications which can demonstrate the potential benefits of their proposal to the theatre sector within the Republic of Ireland.
Who cannot apply?	<p>Applicants who are not eligible to apply include the following:</p> <ul style="list-style-type: none"> • organisations with no track record in offering development programmes in theatre; • individual artists or groups of artists not constituted as an organisation; • organisations based outside the Republic of Ireland³; • organisations and individuals seeking funding to support vocational and/or undergraduate training or teaching in an academic context.
Multiple applications	Please note: only one scheme can be applied for per round (for example, an applicant cannot apply for the Theatre Development Funding Scheme and the Theatre Resource Sharing Scheme within the same round).
What you can apply for	<p>The direct cost of the proposed development or training programme, either over a short continuous period of time, or spread out in modular form over an extended period of time up to one year.</p> <p>The design and content of each programme will be defined by the applicant organisation, and agreed with any partners in advance. Overall responsibility for the management of funds for the programme will be taken on by the applicant organisation.</p> <p><i>The Arts Council will consider additional costs if they are specifically related to the making of art by artists with disabilities. If you wish to apply for additional funding on this basis, you should provide information with your application outlining what these additional costs are.</i></p>
What you cannot apply for	<p>Activities and costs that cannot be applied for include:</p> <ul style="list-style-type: none"> • major capital purchases; • ongoing core costs; • activities or costs that do not fit the purpose of the scheme; • activities which are more suited to another award or scheme funded by the Arts Council or operated by other state agencies including Culture Ireland; • activities that have already taken place or which will have commenced before a decision is due to be made on your application; • where the activity is for charity fund-raising purposes, for participation in a competition, or for primarily profit-making purposes; • activities that have already been assessed by the Arts Council. An exception will be made if the Council has specifically advised you to redirect your application to this scheme. Please bear in mind that such advice is not an indication of a successful outcome.

³ This does not preclude support through international partnerships as long as lead applicant is based in Ireland.

Using the application form

The application form is a Word document which you download from the online services website, complete offline on your own computer and then upload again prior to submitting your application.

The form contains special formatting which allows the online system to validate it on upload and ensures that you do not submit an incomplete form. To work with this formatting you **must** use either Microsoft Word or OpenOffice and follow the instruction at the beginning/end of the form.

We have a step-by-step guide to using the form with OpenOffice which can be downloaded here: <http://www.artscouncil.ie/en/FAQ/online-services.aspx#faq12>

The application form restricts the number of characters (letters) that can be used to answer each question. The character limit is stated on the application form next to each question. Please note that the limit is set in characters and not words (although an approximate word limit is given for guidance purposes) and that the character limit includes spaces.

See **Section 5** of these Award Guidelines for help with preparing the content of your application form.

Preparing and submitting support material

Supporting material must be uploaded and submitted electronically through the Arts Council's online services website. You can upload a wide range of materials including images, videos and sound files.

NB Uploading material takes significantly longer than downloading. If you are uploading large files either to online services directly or to another URL (see 'Web links'), please upload your material well in advance of the deadline to ensure you can submit your application in time.

The total combined limit for all material uploaded to the online services site is 20MB.

When submitting supporting material:

- Upload each piece of supporting material separately, selecting the appropriate document type;
- Include the title of the work in the file name if submitting documentation of work;
- Follow any file naming conventions set out in Section 1

You may provide links to material hosted at specific websites rather than uploading the material directly to online services. **Only** material hosted at <http://www.youtube.com> or <http://www.4shared.com> will be assessed. Links to material hosted at other web sites will not be viewed. To submit your web link/s, copy the URL (link) for the specific piece of material e.g. video, music track that you wish to be viewed into a Word document or equivalent and upload as a 'Web links' supporting document.

If you do not wish material you upload to YouTube for the purposes of your application to be publicly viewable, you can flag your video as 'unlisted' in its settings. For more information see <http://www.artscouncil.ie/en/FAQ/online-services.aspx#faq18>.

Section 3 - Assessment and Processing

Overview The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for making awards is fair and transparent.

The process All applications received are processed as follows:

- Application acknowledged
- Application assigned to art form team for processing
- Adviser(s) and/or staff assess application according to published criteria
- Staff recommend application for funding/not funding to Council
- Grants Committee of Council reviews staff recommendation and makes its recommendation for funding/not funding to Council
- Council plenary make final decision
- Decisions communicated in writing

Criteria for the assessment of applications Applications are assessed in a competitive context and with consideration of the available resources. As well as the criteria specific to the scheme for which you are applying, all applications are assessed against the following criteria:

1. Artistic Merit
2. Meeting the aims and priorities of the scheme, as outlined in Section 1.
3. Feasibility

1. Artistic merit

An assessment on artistic merit would focus on the applicant and those involved in the project as well as the nature of the proposed arts activity and might include, amongst other things, consideration of:

- the artistic quality of the proposed development programme;
- the track record of the applicant organisation involved in the project;
- the track record of any individuals identified as key mentors/teachers within the proposal demonstrated through support materials submitted;
- the potential benefits to the individual artists participating;
- the artform/arts practice context in which the activity is proposed;
- the ambition, originality and competency demonstrated in the proposal

2. Meeting the aims and priorities of the scheme

An assessment under this criterion would focus on the benefit and strategic significance of the proposed activity in relation to the stated aims and priorities of the scheme outlined in **Section 1** above.

3. Feasibility

An assessment on feasibility would consider the extent to which the applicant demonstrates capacity to deliver the proposed activity. This might include but not be limited to consideration of:

- the personnel involved in delivering, managing and administering the proposal;
- the extent to which the applicant demonstrates the provision of equitable working conditions for participating artists;
- the nature and extent of the involvement of project partners;
- the proposed budget, including other sources of income;
- the proposed timetable, schedule and outcomes of the proposal;
- the degree and quality of self-evaluation proposed.

Grants Committee	Once staff and advisers of the Arts Council have assessed applications according to the criteria outlined above, their recommendations are sent to the Grants Committee for consideration. The Grants Committee is a sub-committee of the Arts Council, and sits regularly to make funding recommendations to the full Council. Once the Grants Committee has considered and discussed staff recommendations, it will make final recommendations to Council for decision.
Timeframe	It is intended to communicate decisions during July 2012 .
What happens if you receive an award?	A letter of offer will be sent to you detailing the amount of funding, and the terms and conditions of the scheme. You will also be informed of the process by which your funding should be drawn down.
What happens if you do not receive an award?	<p>You will be informed in writing if your application is not successful.</p> <p>PLEASE NOTE: <i>Unfortunately, eligibility and compliance with application procedures alone do not guarantee receipt of an award. Because of the large volume of applications, demand for funding always exceeds the available resources.</i></p> <p>If your application is not successful you can request feedback from Arts Council staff.</p>
Appeals and complaints	If you feel that the Arts Council's procedures have not been followed, check the Appeals and Complaints Procedure, or contact the Arts Council for a copy of the Appeals and Complaints information sheet.
Am I able to re-apply?	If your application has been assessed and you did not receive an award then you are not eligible to reapply for the same activity to any other Arts Council scheme or award. An exception may be made if the Arts Council feels that the proposed activity would have been more suited to a different scheme. In such circumstance you will need to seek clarification from the Arts Council in advance of making another application.

Section 5 - Help with your Application

Name of scheme	Theatre Development Funding Scheme
Overview	This section of the Scheme Guidelines provides information and advice to help you through the process of preparing and submitting your application form and support materials.
Help with the online services website	<p>The Arts Council will provide technical support to applicants using the online services website. If you experience any difficulties at any stage while making an online application you can contact the Arts Council for help.</p> <p>It is recommended that applicants become familiar with the application section of the online services website well in advance of the deadline and in advance of preparing an application.</p> <p>Applicants are also advised to prepare and submit well in advance of the deadline. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. It is also common for the Arts Council to receive a high volume of enquiries and phone calls on the day of any funding deadline so if you have a last minute query you may find it more difficult to get through to us.</p>
Application form help	<p>Section 1 – The Scheme</p> <p>1.1 At section 1.1 of the application form you are asked to tick a box to confirm that you have read the Scheme Guidelines relating to the scheme for which you are applying.</p> <p>Section 2 – Proposal</p> <p>2.1 At section 2.1 of the application form you are asked to give the name of the theatre artist you are proposing for the residency.</p> <p>2.2 At section 2.2 of the application form you are asked to provide 3 short points outlining your proposal.</p> <p>2.3 At section 2.3 of the application form you are asked to provide a full description of your proposal. This will help those involved in assessing your application to understand the full scope of your proposal. What you include in your description will depend on the nature of the proposed activities. It might include but not necessarily be limited to:</p> <ul style="list-style-type: none"> • a practical explanation of the proposed development programme, i.e. what will happen, when it will happen, how it will happen, who will be involved; • the artistic goals and ambitions for the proposal; • the envisioned benefits, i.e. who will benefit and how; • the context in which the proposal is being made; • a schedule of the key steps of the proposal; • information on key partners/collaborators and their roles; • any additional and relevant administrative details; • any additional and relevant technical details; • any additional and relevant financial details <p>2.4 At section 2.4 of the application form you are asked to explain how you feel your proposal meets the assessment criteria for the scheme to which you are applying. To understand the assessment criteria for the scheme you should read carefully the Scheme Guidelines and in particular Section 1: About the Scheme and Section 3: Assessment and Processing</p> <p>2.5 At section 2.5 of the application form you are asked to identify any other artists, individuals, groups or organisations that are involved in your proposal. You should only identify those that play a significant part in your proposal. This might include the venue hosting your proposed activity, the main artists involved, key partners, key administrative personnel etc. The form allows you</p>

to briefly describe the way in which each of these partners will be involved in the proposal.

Section 3 – Budget

- 3.1 Section 3.1 of the application form asks you to identify in broad outline the expenditure relating to your proposal. You should consult the Scheme Guidelines particularly **Section 1. About the Scheme** to see what expenditure is eligible within the scheme. A more detailed budget **must** be submitted in support of your application but you must still fill in this section of the form.
- 3.2 Section 3.2 of the application form asks you to identify any income relating to your proposal. If you have income from other sources that is specifically being put towards the cost of the activities described in your proposal then you should identify that income here. You need only include other income if it is relevant and appropriate to your proposal. This might include for example box office projections, other funders, sponsorship etc. You can include in-kind support here; however, you must make sure that you also reflect the value of that in-kind support in the expenditure section so that your budget balances.
- 3.3 Section 3.3 of the application form asks you to state how much you are seeking from the Arts Council. The amount requested should be equal to the total expenditure minus any income that you have declared as counting towards the cost of the proposal. It is very important that these figures match. If there is a discrepancy in the figures the Arts Council will not be in a position to properly assess your application. It is very important that you clearly state how much you are seeking from the Arts Council. The Arts Council is not able to grant money where an amount has not been requested. You cannot ask for more money than you need, i.e. more than the expenditure that you have identified for the proposal.

Supporting material help

Along with your completed application form, you must include supporting material. This is a vital part of your application. Well-presented and relevant supporting material will help assessors to understand your proposal.

All supporting material must be clearly labelled or identified. It should be expressly clear what the item of supporting material represents.

See **Section 1** of these scheme guidelines under the heading **Essential Supporting Material** for the list of materials that you *must* submit with this application. As well as the essential support material that is identified in the Scheme Guidelines, there may be other items that you may wish to submit in support of your application. Such additional material might include but would not necessarily be limited to:

- documentation of the practice of the artist(s) and/or organisation(s) involved (see below for more information on prescribed formats and labelling for such documentation);
- invitations or letters supporting any claims of collaboration, offers of funding, etc;
- evidence of child protection policies and procedures for those organisations delivering programmes that involve children and young people;
- evidence of compliance with the Arts Council's Animal Welfare Framework for those organisations and individuals whose activities involve the use of live animals;
- evaluation plans or audience projections;
- references to similar initiatives or programmes that might give a context to your proposal;

- other material.

You must include a current CV for each of the artistic personnel involved in the proposal. Full CV(s) should be provided rather than short biographies. Each CV should identify relevant work or skills.

If you are submitting visual stills please ensure that images are clearly labelled and there is relevant contextual information.

If you are submitting moving image work please provide relevant contextual information. This might include details of the piece, date, thematic/general comments, where it was presented, names of performers, how the work was financed (e.g. award, self-financed). A minimum of five minutes is advised. Long pieces should be edited; otherwise a selection of three extracts (maximum five minutes each) should be submitted.

Text based material might include:

- Scripts - including a synopsis.

All of the above may be submitted on line. Hard copy support material **cannot** be submitted for this scheme.

The Arts Council can only access the following electronic file formats:

- image files - (JPEG)
- sound files - (WAV / mp3)
- video files - (QuickTime / AVI / MOV)
- text files - (RTF / .doc)

Common mistakes to avoid

Common mistakes to avoid when submitting applications to the Arts Council:

- missing the deadline by leaving submitting your application to the last minute;
- not demonstrating that you have read and understood the purpose and priorities for the award to which you are applying;
- insufficient clarity as to the proposed artistic outcomes of your application;
- not submitting all the essential supporting materials required;
- not submitting a detailed budget where relevant;
- inadequately labelled supporting materials;
- no indication of the relevance of materials to your application;
- no list of works – this can lead to confusion over dimensions, media and context;
- no examples of your own work;
- too much irrelevant information (e.g. too many reviews). Be selective with what you submit. It is better to submit one high-quality example than a large amount of lesser-quality, irrelevant material;
- not enough information. Assessors will have no basis on which to make a recommendation;
- examples of old work. Assessors are interested in your recent or current work.
