## 1. About the Dance Bursary Award

---

### 1.1 Deadline for submission of applications

All applications must be made using the Arts Council's Online Services.

The deadline for receipt of applications is:

**5.30pm, Thursday 31 January 2019**

### 1.2 Objectives and priorities of the award

The objective of the Dance Bursary Award is to support professional artists to develop their art practice.

The award emphasises the value and benefit to an artist's development that is derived from an extended process of engagement with their practice. The award therefore provides artists with the time and resources to think, research, reflect and engage with their art practice.

Potential proposals could be those that:

- Are from professional dance artists who wish to develop their art practice through a period of self-directed research
- Are from emerging dance artists who wish to develop their art practice through a structured mentoring relationship
- Are from professional dance artists who wish to develop their art practice through formal residencies in conjunction with national and/or international dance organisations.

#### Strategic priorities

The Arts Council has identified the following as strategic priorities for support through this award:

- Applicants who demonstrate a clear articulation of artistic aims and rationale for undertaking a period of creative reflection
- Applications that strengthen the practice and development of dance artists involved in formal residencies in conjunction with national and/or international dance organisations
- Applications from emerging dance artists who wish to develop their art practice through a period of structured mentoring.

All awards are informed by the Arts Council's ten-year strategy (2016–25), *Making Great Art Work: Leading the Development of the Arts in Ireland* (see here: <http://www.artscouncil.ie/arts-council-strategy/>).

### 1.3 Who is eligible to apply

The award is open to artists working in all genres and at all stages in their professional careers. To be eligible to apply, applicants must:

- Be resident in the Republic of Ireland. There are certain exceptions where the Arts Council may deem eligible applications made by those based outside the Republic of Ireland. However, before admitting as eligible any such application, the Arts Council would need to be satisfied that the outcomes of any such proposal would benefit the arts in the Republic of Ireland.
- Be professional practising artists – although they might not earn income continuously or exclusively from their arts practice, applicants must identify themselves and be recognised by their peers as professional practising artists.

The Arts Council is committed to equity and inclusion, and welcomes applications from individuals or groups within culturally diverse communities and from people with disabilities.

#### Who is the applicant?

The applicant is the person who will receive any grant offered and who will be required to accept the terms and conditions of that grant.

Any grant offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant. For example, if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details must be in that name. Variations such as Mary Barry or Máire Barry are not acceptable.

#### 1.4 Who is not eligible to apply?

People who are not eligible to apply include the following:

- Individuals currently in undergraduate education or who will be during the period for which this bursary is offered
- Aosdána members in receipt of a *cnuas*.

You may not apply to Round 1 of the Bursary Award in 2019 (closing date 31 January 2019) if you were awarded a Bursary Award in the second round of 2018 (closing date 12 July 2018).

You may not apply for a Bursary Award in 2019 if you were awarded a Next Generation Artists Award in 2018.

You may only apply to one of the following Awards in 2019:

- Bursary, round 1
- Bursary, round 2
- Bursary, Next Generation
- Anthony Cronin
- Markievicz Bursary

#### 1.5 What may you apply for?

The maximum amount that may be awarded to each successful application is:

**€10,000**

The bursary is available for up to one year; multi-annual awards will not be made.

The emphasis of the award is on artists 'buying time' specifically to assist with the development of their creative practice. To a limited extent the award also allows for other costs intrinsic to supporting the development of the artist's practice. In this context, applicants may apply for living costs. They may also apply for materials, resources, equipment, third-party expertise or the hiring of services where it can be demonstrated that such costs are intrinsic or necessary to the development of their practice.

In addition to the normal limits stated above, the Arts Council will also consider costs specifically relating to the making of work by artists with disabilities. If you wish to apply for additional funding on this basis you should provide information with your application outlining what these additional costs are.

##### What are your chances of receiving support?

This is an extremely competitive award. Many more applications are received than it is possible for the Arts Council to support.

##### How much funding may you apply for?

The application you make to the Arts Council for funding must be related to **expenditure** that you will incur in the course of your bursary term, and you are asked to specify your expenditure in section 3.1 of the application form. This can include a contribution to living costs, materials, research and so on.

You are also asked to indicate on the application form any **income** that that you expect to receive related to your proposal. This includes any income (other than the Arts Council funding you are applying for) related specifically to the activities described in your proposal. Do not include any income that is not related to these activities. If you have no related income, leave section 3.2 of the application form blank.

The maximum amount you may request is the difference between the **expenditure** and the **income** you indicate, and must not exceed the maximum stated above per year (except where it relates to people with disabilities).

You are asked to indicate expenditure, income and amount requested at two stages during your application:

- Online, when you initiate the application (totals only)
- In section 3 of the application form (itemised and totals).

Make sure that the totals are the same on both; and make sure that the amount requested equals TOTAL EXPENDITURE minus TOTAL INCOME.

## 1.6 What may you not apply for

You may not apply for more than one bursary-type award (in any artform/arts practice) in any one round of funding. Activities and costs that you may not apply for include the following:

- Activities or costs that do not fit the purpose of the award
- Activities that are more suited to another award funded by the Arts Council or operated by other state agencies, such as Culture Ireland
- Activities that have already taken place or which will have commenced before a decision is made on your application
- Activities undertaken for charity fundraising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council. An exception will be made if the Council has specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome
- Major capital requests for the purchase of equipment or improvements to workspace.
- Academic activities that do not form part of the development of a professional arts practice.

## 1.7 What supporting material must you submit with your application?

In addition to and separate from your application form, in order to be considered eligible for assessment for a Dance Bursary Award you **must** submit the following supporting material online:

- A detailed up-to-date CV (max. three pages)
- Video clips that show samples of your recent dance work
- If your application is linked to ongoing PhD-level research, you must declare any funding you are receiving from other sources, and you must also submit a detailed budget. If your application is linked to a formal residency abroad, you must submit a written statement from the host dance organisation outlining the time frame and parameters of the residency.

If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

**If you do not submit the required supporting material, your application will be deemed ineligible.**

For information on the formats you may use for supporting material you wish to upload as part of your application, see section **2.3 Prepare any supporting material required for the application.**

### Optional supporting material

In addition to the required supporting material listed above, you may also submit any other material you consider relevant to your application.

## 2. Making your application

---

### 2.1 Register with the Arts Council's Online Services

All applications must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted.

You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here: <https://onlineservices.artscouncil.ie/register.aspx>.

Within five working days you will be issued (via email) with a unique ARN (artist reference number) and password that you can use to sign in to Online Services.

#### Requirements for using Online Services

Your computer and Internet browser will need to meet the following requirements to use Online Services successfully:

---

**PC** Windows 7 or higher  
with  
Internet Explorer 8.0 or higher OR Firefox 27 or higher OR Chrome 33 or higher

---

**Mac** Mac OS X v10.5 Leopard or higher  
with  
Safari 3.1 or Safari 10 OR Firefox 27 or higher OR Chrome 32 or higher

**Note:** if Safari 11 prevents upload of documents, use Firefox or Chrome.

---

**Note:** you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form. OpenOffice Writer is free software that can be downloaded from here: <http://openoffice.org>.

#### You must use OpenOffice Writer version 4.0.1 or earlier

More recent versions of OpenOffice Writer than 4.0.1 have resulted in problems with the appearance of application forms when they are submitted through online services.

Please refer to the Arts Council video *Using OpenOffice to download, complete and upload the application form* at <https://www.youtube.com/user/ArtsCouncilDemos>.

Apple Mac users should take note of the section that deals with the issue of downloading version 4.0.1 on Macs that have the latest versions of Mac OS installed.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

#### Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.

Upload times can be much longer than download times. It may take you longer than you think to upload your supporting materials.

#### Technical support

If you need technical support while making an online application, you can contact the Arts Council by emailing [onlineservices@artscouncil.ie](mailto:onlineservices@artscouncil.ie) or by phoning 01 6180200. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches, and that technical-support calls received after **2.30pm on the closing date** may not be resolved before the deadline.

## 2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer-compatible document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

### Making your case

In order to make the very best case for why you should receive funding, you should give very careful consideration to what you include in the following sections of the form:

<b>1.4 Tell us about yourself</b>	Give a brief introduction to yourself and an outline of your recent artistic achievements.
<b>2.1 Summary of your proposal</b>	Give a summary of your proposal (up to three short points).
<b>2.2 Details of your proposal</b>	What you write here is a key part of your proposal, and should help those involved in assessing your application to understand the full scope of what you want to do and why. It might include entries such as a practical explanation of the activity you propose, your artistic goals and ambitions, the wider context in which you are making the proposal, and any other information you consider relevant.
<b>2.3 Your application and the assessment criteria</b>	Describe how your application meets each of the assessment criteria – see <b>3.3 Criteria for the assessment of applications.</b>

## 2.3 Prepare any supporting material required for the application

You are required to include supporting material with your application. Typically this includes samples of your current work – e.g. text, video, images, or sound recordings.

You must submit all supporting material online. If necessary, you should scan or save material in electronic format.

### Acceptable file formats

The following table lists file formats that are acceptable as part of an application.

<b>File type</b>	<b>File extension</b>
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Acrobat Reader files	.pdf

For convenience, gather together all the files you need in an accessible location on your computer.

### Submitting YouTube links

You may provide links to material hosted on YouTube ([www.youtube.com](http://www.youtube.com)) instead of uploading the material directly. To do this, copy the URL (the full address of where your material is hosted on YouTube) into a Microsoft Word or OpenOffice Writer document and upload it as a weblink supporting document.

**Note:** any links you provide must be for YouTube. Links to other hosting sites will not be viewed.

Check that the link works from within the document you upload – that is, that it links correctly to your material on YouTube.

If you do not wish material you upload to YouTube for the purposes of your application to be publicly viewable, you can flag your video as 'unlisted' in its settings.

### Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, a sample text or a review of previous work.

---

<b>Good filenames for an applicant called Jack Russell</b>	russelljack application.doc
	russelljackWIP.doc
	russelljack catalogue.doc
	russelljack Child ProtectionPolicy.doc
	russelljack youtube link.doc

---

The total combined limit for all supporting material uploaded with a single application is **40MB**.

## 2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it.

### 1. Choose funding programme and download application form

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so.)

### 2. Request funding amount

At this stage you specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The amount you request should equal TOTAL EXPENDITURE minus TOTAL INCOME. The final figures you enter here should be the same as those you enter in section 3 of the application form.

### 3. Upload application form and supporting material

Follow the prompts to upload your filled-in and saved application form, your CV and any other required supporting material (see section **1.7 What supporting material must you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft, and come back to it later.

### 4. Submit application

When you are satisfied that you have uploaded everything you need to support your application, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should expect to receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later, and will contain your application number, which will be used in all correspondence related to this application. **Note:** it is important that you contact [onlineservices@artscouncil.ie](mailto:onlineservices@artscouncil.ie) if you **do not** receive the second confirmation email containing the application number.

## 3. Processing and assessment of applications

---

### 3.1 Overview

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for making awards is fair and transparent.

### 3.2 The assessment process

All applications received are processed by the Arts Council as follows:

- 1 The application is acknowledged.
- 2 The application is checked for eligibility – all eligible applications then progress to the assessment stage.
- 3 Adviser(s) and/or staff make a written assessment of the application.
- 4 Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.
- 5 A peer panel reviews all shortlisted applications and associated materials, then scores and makes decisions.
- 6 Decisions are communicated in writing to applicants.
- 7 Decisions are noted by Council.

#### Time frame

The Arts Council endeavours to assess applications as quickly as possible, but the volume of applications and the rigorous assessment process means that it will take up to ten weeks from closing date to decision.

### 3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the available resources. All applications are assessed against criteria of **a)** artistic merit, **b)** how they meet the objectives and priorities of the award, and **c)** feasibility. Each of these criteria is described in turn.

While applicants may select other artforms/arts practices as being relevant to their application, the application will be assessed by the team responsible for the chosen primary artform, and which may, in certain instances, ask for a secondary assessment from another team.

#### Artistic merit

The assessment of artistic merit focuses on the artist's previous practice as well as on the nature of the proposed activity. This includes:

- The practice of the artist demonstrated through the supporting materials submitted
- The track record of the artist demonstrated through the CV and other supporting materials submitted
- The potential of the artist demonstrated through the application form and other materials submitted
- The proposed arts activity as outlined on the application form
- The artform/arts practice context in which the activity is proposed
- The ambition, originality and competency demonstrated by the artist.

#### Meeting the objectives and priorities of the award

Applications are assessed on how well they meet the objectives and priorities of the award – see section **1.2 Objectives and priorities of the award**.

Such assessment might include, for example, consideration of the extent to which the artist's practice might benefit and be developed as a result of the proposed activity, or the extent to which particular identified priorities are addressed.

### Feasibility

The assessment of feasibility considers the extent to which the applicant demonstrates capacity to deliver the proposed activity. This includes but is not limited to consideration of:

- The proposed timetable or schedule
- The availability of other supports/partners identified in the application.

### 3.4 Peer panels

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely that the Arts Council will be able to fund only a proportion of the applications received

### Scoring Process

The panel is asked to score applications according to the following system:

- A – Must Fund (10 points): this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.
- B – Should Fund (8 points): this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.
- C – Could Fund (5 points): this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.
- D – Not a Priority (2 points): this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

### Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An 'interest' is either 'pecuniary' or 'non-pecuniary' (e.g. familial relationships, personal partnerships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when s/he is approached to sit on the panel (if the 'interest' is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

In some instances a panellist may not realise that a conflict of interest exists until s/he receives and reviews the panel papers. In such instances the panellist must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest s/he must declare it in writing in advance of the meeting as soon as s/he becomes aware of it. In this instance the head of team will chair the discussion on the conflicted application.

### 3.5 Outcome of applications

All applicants are informed in writing about the outcome of their application.

If your application is successful, you will be sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. If your application is not successful, you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been more suited to a different award programme, an exception may be made. In such circumstance you will be informed in writing.

#### **Appeals**

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council's published procedures. If you feel that the Arts Council's procedures have not been followed, please see the appeals process at

[http://www.artscouncil.ie/en/fundInfo/funding\\_appeals.aspx](http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx) or contact the Arts Council for a copy of the appeals-process information sheet.
