1. About the Next Generation Artists Award

1.1 Purpose and objectives of the award

The purpose of the Next Generation Artists Award is to support a group of promising artists across all disciplines at an early but pivotal stage in their career. This once-off and exceptional award is designed to support emerging artists to:

(i) Buy time to develop their work and practice.

(ii) Support unique development needs to advance their own practice (this might be through engagement with a mentor, research, non-formal study and/or non-vocational training, collaborative partnerships, etc.). Applicants must detail the development need that would most advance his or her career at this time.

Next Generation Artists Award recipients will receive €20,000. Recipients will also take part in a week-long residential programme in spring 2021 (25–29 January 2021). Joint applications and interdisciplinary applications are welcome.

All awards are informed by the Arts Council’s ten-year strategy (2016–25), Making Great Art Work: Leading the Development of the Arts in Ireland (see here: http://www.artscouncil.ie/arts-council-strategy/).

1.2 Priorities of the award – individual artforms and arts practices

In addition to the general purpose and objectives of the award (outlined in section 1.1), priority across all artform and practice areas will be given to emerging artists of proven talent, assurance and potential who:
• Demonstrate ambition and vision for their work
• Show potential to develop and strengthen a distinctive and assured creative practice
• Show how they will benefit artistically from timely support for their artistic development
• Demonstrate in a compelling way how the award and financial investment of this level and at this particular time will have a transformative effect in bringing them to the next stage of their artistic development.

1.3 Who can apply?
The award is open to emerging artists working in all arts genres supported by the Arts Council.

• Emerging artists are defined as those, of any age, who are in the process of mastering their artform/arts practice through education or apprenticeship and are in the early years of establishing a professional career within their chosen artform/arts practice. Emerging artists have some experience but have not yet established a solid reputation as artists, but identify, and are recognised by their peers, as professional practising artists.

To be eligible to apply, an applicant must:
• State why s/he classifies him/herself as ‘emerging’ in line with the definition set out above
• Demonstrate recent artistic achievements
• Be resident in the Republic of Ireland. There are certain exceptions where the Arts Council may deem eligible applications made by those based outside the Republic of Ireland. However, before admitting as eligible any such application, the applicant would need to explicitly outline within the application how the outcomes of any such proposal would benefit the arts in the Republic of Ireland.
• Be a professional practising artist; although you might not earn income continuously or exclusively from your artistic practice, you must identify yourself, and be recognised by your peers, as a professional practising artist.

Note: successful applicants to the Next Generation Artists Award will be ineligible to apply to the Arts Council Bursary Award for the following calendar year.

For the purpose of this award, the Arts Council’s definition or focus in certain artforms is set out as follows:

<table>
<thead>
<tr>
<th>NOTE: Film</th>
<th>The Arts Council supports film artists who engage in experimental or non-narrative film-making that is made for cinema exhibition in the first instance.</th>
</tr>
</thead>
<tbody>
<tr>
<td>NOTE: Literature</td>
<td>The Arts Council supports literary writing. For the purposes of this award, literary writing is defined as fiction, poetry, creative non-fiction (e.g. memoir and essays), graphic novels, children’s fiction and poetry, illustrated picture books, literary criticism and contemporary literary biography/autobiography. This definition specifically excludes writing in areas such as screenwriting, playwriting, journalism, religious writing, professional, instructional and academic writing.</td>
</tr>
</tbody>
</table>

This award supports writing in the English and Irish languages.
1.4 Who is the applicant?
The applicant is the person who will receive any grant offered and who will be required to accept the terms and conditions of that grant.

Any grant offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant. For example, if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details, must be in that name. Variations such as Mary Barry or Máire Barry are not acceptable.

1.5 Who cannot apply?
People who are not eligible to apply include the following:

- Individuals currently in undergraduate or postgraduate education or who will be during the period for which this award is offered
- Aosdána members in receipt of a cnuas
- Successful applicants to round 1 of Bursaries 2020
- Successful recipients of the Next Generation Artists Award in previous years.

You may only apply to one of the following awards in 2020:

- Bursary, round 1
- Bursary, round 2
- Next Generation Artists Award
- Markievicz Award

1.6 What may you apply for?
The amount awarded to each successful applicant will be: €20,000

Please note that your application will be deemed ineligible if you do not apply for the fixed amount of €20,000.

The emphasis of the award is on:

- Artists ‘buying time’ specifically to assist with the development of their creative practice. The award allows for costs that are intrinsic to supporting the development of the artist’s practice, and in this context provides for living costs.
- Supporting unique development needs – this may include funding for mentoring, third-party expertise or the hiring of services (where it can be demonstrated that such costs are necessary to the development of the artist’s practice).
In addition to the normal limits stated above, the Arts Council will also consider costs specifically relating to the making of work by artists with disabilities. If you wish to apply for additional funding on this basis, you should provide information with your application outlining what these additional costs are.

**How much funding must you apply for?**
Each award has a fixed value of €20,000.

**What are your chances of receiving support?**
This is an extremely competitive award.

**1.7 What may you not apply for?**
You may not apply for both the Next Generation Artists Award 2020 and the Bursary Award 2020 Round 2.

Activities and costs that you may not apply for include the following:

- Activities or costs that do not fit the purpose of the award
- Activities that are more suited to another award funded by the Arts Council or operated by other state agencies, such as Culture Ireland
- Activities that have already taken place or which will have commenced before a decision is made on your application
- Activities undertaken for charity fund-raising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council. An exception will be made if the Council has specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome
- Major capital requests for the purchase of equipment or improvements to workspace
- Academic activities.

**1.8 What supporting material must you submit with your application?**
In addition to, and separate from, your application form, in order to be considered eligible for a Next Generation Artists Award, you **must** submit the following supporting material online:

- A detailed up-to-date CV (max. three pages)
- A separate statement of your artistic practice (of no more than one page). This should briefly set out your interests, influences, ambitions and motivations as an artist
- Letters of support or reference where applicable, including evidence of any financial or in-kind support itemised within your proposal
- Examples of work demonstrating your artistic ability – e.g. a ten-page writing sample, still or moving images, YouTube clips, or audio recordings. All still and moving images should be clearly labelled and accompanied by an image list, including a brief description of the work.

**NOTE:** You **must** include evidence of your qualification in architecture.

**Architecture**
You **must** include good-quality visual and/or written examples of your work. Depending on the format you use, the following should be used as a guide:

- A maximum of ten still images
- A maximum of three excerpts from moving image work (three minute samples) with corresponding explanations.
NOTE: Film
You must submit up to three examples of your recent work in film that are indicative of your film practice. These should be in the form of three ten-minute (maximum) excerpts and should not be presented as a showreel. You may submit these as video files or as YouTube links only.

NOTE: Literature
If you are a writer applying for support, you must submit a ten-page writing sample with your application. This should be submitted as a Microsoft Word or OpenOffice Writer document (not PDF).

NOTE: Visual Arts
You must include good-quality visual and/or written examples of your work. Depending on the media used in your practice, the following should be used as a guide:

- A maximum of ten still images, including detailed images and installation shots
- A maximum of three excerpts from moving-image work (three minute samples), with corresponding explanations.

If you do not submit the required supporting material, your application will be deemed ineligible.

Optional supporting material
- In addition to the required supporting material listed above, you may also submit any other material you consider relevant to your application – e.g. professional references, reviews, essays, catalogues, monographs or other relevant publications, etc.
- Where your proposal relies on the expertise of other people or organisations, you should submit details of their expertise, accreditation and track record.

Format for supporting material
All supporting material for the Next Generation Artists Award must be submitted online. Hard-copy supporting material will not be accepted.

- Moving images and audio material must be submitted by way of YouTube links in a separate Microsoft Word or OpenOffice Writer document – see Submitting YouTube links in section 2.3. Please note that interactive web-based artworks should be screen-recorded and uploaded to YouTube.
- All other artistic material and other supporting material (e.g. budget, CVs, etc.) must be uploaded as separate, individual documents.
- Include image lists and contextual information for all supporting material in a clearly labelled separate text file. For artistic material, this should include details of the work, when and where it was presented, and thematic/general comments.
1.9 Eligibility

Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

1. You miss the application deadline.
2. You fail to complete all of the sections in the application form relevant to your proposal.
3. You cannot apply as set out in sections 1.3 to 1.5 above.
4. You apply for an amount of funding greater than the maximum amount allowed for within the award to which you are applying as set out in section 1.6 above.
5. You apply for an activity or purpose that you cannot apply for as set out in section 1.7 above.
6. You fail to provide all mandatory supporting materials as set out in section 1.8 above.
7. Your application is better suited to another funding programme offered by the Arts Council or by another funding agency (in this case, we will redirect you to the more appropriate funding opportunity).

**Note:** in the event that your application is ruled ineligible, it will not be assessed, and you will be permitted to apply again with the same proposal in future funding rounds. If you do reapply, you should ensure that you meet the eligibility requirements.
2. Making your application

2.1 Register with the Arts Council’s Online Services

All applications must be made through the Arts Council’s Online Services; applications made in any other way (by post, fax or email) will not be accepted.

You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here: https://onlineservices.artscouncil.ie/register.aspx.

Within five working days you will be issued (via email) with a unique ARN (artist reference number) and password that you can use to sign in to Online Services.

Requirements for using Online Services

Your computer and Internet browser will need to meet the following requirements to use Online Services successfully:

<table>
<thead>
<tr>
<th>PC</th>
<th>Mac</th>
</tr>
</thead>
<tbody>
<tr>
<td>Windows 7 or higher</td>
<td>Mac OS X v10.5 Leopard or higher</td>
</tr>
<tr>
<td>Internet Explorer 8.0 or higher OR Firefox 27 or higher OR Chrome 33 or higher</td>
<td>Safari 3.1 or Safari 10 OR Firefox 27 or higher OR Chrome 32 or higher</td>
</tr>
</tbody>
</table>

Note: if Safari 11 prevents upload of documents, upgrade Safari browser or use Firefox or Chrome.

Note: you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form. OpenOffice Writer is free software that can be downloaded from here: http://openoffice.org.

You must use OpenOffice Writer version 4.0.1 or earlier

More recent versions of OpenOffice Writer than 4.0.1 have resulted in problems with the appearance of application forms when they are submitted through Online Services.

Please refer to the Arts Council Youtube video here Using OpenOffice to download, complete and upload the application form.

Apple Mac users should take note of the section that deals with the issue of downloading version 4.0.1 on Macs that have the latest versions of Mac OS installed.

Note: for Mac OS 10.15 Catalina, please use OpenOffice 4.1.7.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.
Upload times can be much longer than download times. It may take longer than you think to upload your supporting materials.

**Technical support**

If you need technical support while making an online application, you can contact the Arts Council by emailing onlineservices@artscouncil.ie or by phoning 01 6180200. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches, and that technical-support calls received after **2.30pm on the closing date** may not be resolved before the deadline.

### 2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer-compatible document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

**Making your case**

In order to make the very best case for why you should receive funding, you should give very careful consideration to what you include in the following sections of the form:

<table>
<thead>
<tr>
<th>1.5 Tell us about yourself</th>
<th>Give a brief introduction to yourself and an outline of your recent artistic achievements.</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.6 Career stage</td>
<td>In line with the Arts Council’s commitment to supporting artists at key stages of their career, we have included a question asking which stage best describes where you see yourself in your career.</td>
</tr>
<tr>
<td>1.7 Equality and diversity</td>
<td>In line with the Arts Council’s commitment to Equality and Diversity, as set out in our Equality, Human Rights and Diversity Policy &amp; Strategy, we have included some questions which help us to understand more about the artists and individuals we are engaging with.</td>
</tr>
<tr>
<td>2.1 Summary of your proposal</td>
<td>Give a summary of your proposal (up to three short points).</td>
</tr>
<tr>
<td>2.2 Details of your proposal</td>
<td>What you write here is a key part of your proposal, and should help those involved in assessing your application to understand the full scope of what you want to do and why.</td>
</tr>
</tbody>
</table>

It might include entries such as a practical explanation of the activity you propose, your artistic goals and ambitions, the wider context in which you are making the proposal, and any other information you consider relevant.

You may also want to mention here any in-kind contributions – e.g. where you have been offered a space or where a mentor
(who has a salary from another source) has agreed to give their time for free. **There is no requirement to show any other confirmed financial support.**

<table>
<thead>
<tr>
<th>2.3 Your application and the assessment criteria</th>
<th>Describe how your application meets each of the assessment criteria – see section 3.3 Criteria for the assessment of applications.</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.4 Key activities for your proposal</td>
<td>Here you should list any key activities related to your proposal, and in each case indicate the location and dates. If your proposal only involves a single activity, you should list that activity.</td>
</tr>
<tr>
<td>2.5 Artists, individuals, groups or organisations involved in your proposal</td>
<td>Here you should list all artists, individuals, groups or organisations involved in your proposal. Where appropriate, you should also submit details of the expertise of such people and upload it with your application.</td>
</tr>
<tr>
<td>3 Amount requested</td>
<td>Enter the amount you are requesting here. See section 1.6 What may you apply for? above</td>
</tr>
</tbody>
</table>

**2.3 Prepare any supporting material required for the application**

You are required to include supporting material with your application. Typically, this includes samples of your current work – e.g. text, video, images or sound recordings.

You must submit all supporting material online; if necessary, you should scan or save material in electronic format.

**Acceptable file formats**

The following table lists file formats that are acceptable as part of an application.

<table>
<thead>
<tr>
<th>File type</th>
<th>File extension</th>
</tr>
</thead>
<tbody>
<tr>
<td>text files</td>
<td>.rtf/.doc/.docx/.txt</td>
</tr>
<tr>
<td>image files</td>
<td>.jpg/.gif/.tiff/.png</td>
</tr>
<tr>
<td>sound files</td>
<td>.wav/.mp3/.m4a</td>
</tr>
<tr>
<td>video files</td>
<td>.avi/.mov/.mp4</td>
</tr>
<tr>
<td>spreadsheets</td>
<td>.xls/.xlsx</td>
</tr>
<tr>
<td>Adobe Acrobat Reader files</td>
<td>.pdf</td>
</tr>
</tbody>
</table>

For convenience, gather together all the files you need in an accessible location on your computer.

**Submitting YouTube links**

You may provide links to material hosted on YouTube (www.youtube.com) instead of uploading the material directly. To do this, copy the URL (the full address of where your
material is hosted on YouTube) into a Microsoft Word or OpenOffice Writer document and upload it as a weblink-supporting document.

**Note:** any links you provide **must** be for YouTube. Links to other hosting sites will **not** be viewed. This is because only YouTube links can be verified as having been uploaded in advance of the deadline.

Check that the link works from within the document you upload – i.e. that it links correctly to your material on YouTube.

If you do not wish material you upload to YouTube for the purposes of your application to be publicly viewable, you can flag your video as ‘unlisted’ in its settings.

**Naming files appropriately**

In order to aid the assessment process, you should give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, sample text or a review of previous work.

You may submit documents in separate, appropriately named, files, as follows:

<table>
<thead>
<tr>
<th>Good filenames for an applicant called Jack Russell</th>
</tr>
</thead>
<tbody>
<tr>
<td>russelljack application.doc</td>
</tr>
<tr>
<td>russelljackWIP.doc</td>
</tr>
<tr>
<td>russelljack catalogue.pdf</td>
</tr>
<tr>
<td>russelljack youtube link.doc</td>
</tr>
</tbody>
</table>

In certain artform or arts practice areas, you may submit all supporting material combined into a single document. If you do this, be sure to include a contents page.

The total combined limit for all supporting material uploaded with a single application is 40MB.

### 2.4 Make your application through Online Services

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it.

1. **Choose funding programme and download application form**

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so).

2. **Request funding amount**

Enter the amount you are requesting in part **A. Application amount requested.** The amount you enter here should be the same as the amount you request in section 3 of your application form. You should leave the Total income (€) line blank.

3. **Upload application form and supporting material**

Follow the prompts to upload your filled-in and saved application form, your CV and any other required supporting material (see section **1.8 What supporting material must you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft, and come back to it later.
4. Submit application

When you are satisfied that you have uploaded everything you need to support your application, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should expect to receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later, and will contain your application number, which will be used in all correspondence related to this application. **Note:** it is important that you contact onlineservices@artscouncil.ie if you **do not** receive the second confirmation email containing the application number. Note also that confirmation that your application has been received is **not** confirmation that it is eligible and will go forward for assessment.
3. **Processing and assessment of applications**

### 3.1 Overview

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for awarding funding is fair and transparent.

### 3.2 The assessment process

All applications received are processed by the Arts Council as follows:

1. The application is acknowledged.
2. Your application is checked for eligibility. Please see section **1.9 Eligibility** above.
3. Adviser(s) and/or staff make a written assessment of the application based on the criteria for assessment set out in section 3.3 below.
4. Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.
5. A peer panel reviews all shortlisted applications and associated materials, then scores and makes decisions.
6. Decisions are communicated in writing to applicants.
7. Decisions are noted by Council.

### Time frame

The Arts Council endeavours to assess applications as quickly as possible, but the volume of applications and the rigorous assessment process means that it will take **up to ten weeks** from closing date to decision.

### 3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the available resources. All applications are assessed against criteria of:

- Artistic quality
- How they meet the objectives and priorities of the award
- Feasibility.

Each of these criteria is assessed as follows:

#### Artistic quality

The assessment of artistic quality focuses on the artist’s previous practice as well as on the nature of the proposal. This includes:

- The track record and/or the potential of the artist demonstrated through the application form, CV and other supporting materials submitted
- The proposed arts activity or activities as outlined in the application form
- The practice of the artist demonstrated through the supporting materials submitted
Next Generation Artists Award 2020: Guidelines for Applicants

- The artform/arts-practice context in which the activity is proposed
- The ambition, originality and competency demonstrated by the artist.

**Meeting the objectives and priorities of the award**

Applications are assessed on how well they meet the objectives and priorities of the award – see section 1.1 Purpose and objectives of the award for details.

Such assessment might include, for example, consideration of the extent to which the artist’s practice might benefit and be developed as a result of the proposed activity or the extent to which particular identified priorities are addressed.

While applicants may choose other artforms/arts practices relevant to their application, the assessment will be undertaken by the team specific to the chosen primary artform, which may, in certain instances, ask for a secondary assessment from another arts team.

**Feasibility**

The assessment of feasibility considers the extent to which the applicant demonstrates a capacity to deliver the proposed activity. This includes consideration of:

- The proposed timetable or schedule
- The amount of funding requested relative to the nature and duration of the work proposed
- Where relevant, the availability of other supports/partners identified in the application.

### 3.4 Peer panel process

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely that the Arts Council will be able to fund only a proportion of the applications received.

**Scoring process**

The panel is asked to score applications according to the following system:

- **A – Must Fund (10 points):** this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.
- **B – Should Fund (8 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.
- **C – Could Fund (5 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.
D – Not a Priority (2 points): this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An ‘interest’ is either ‘pecuniary’ (e.g. where a person may stand to gain financially from a decision) or ‘non-pecuniary’ (e.g. familial relationships or partnerships, personal friendships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when s/he is approached to sit on the panel (if the ‘interest’ is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

In some instances a panellist may not realise that a conflict of interest exists until s/he receives and reviews the panel papers. In such instances the panellist must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest s/he must declare it in writing in advance of the meeting as soon as s/he becomes aware of it. In this instance the head of team will chair the discussion on the conflicted application.

3.5 Outcome of applications

All applicants are informed in writing about the outcome of their application.

If your application is successful, you will be sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. If your application is not successful, you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been better suited to a different award programme, an exception may be made. In such circumstances you will be informed in writing.

3.6 Appeals

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council’s published procedures. If you feel that the Arts Council’s procedures have not been followed, please see the appeals process at http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx or contact the Arts Council for a copy of the appeals-process information sheet.
