1. About the Theatre Bursary Award

1.1 Objectives and priorities of the award

The Theatre Bursary Award supports professional theatre artists to develop their artistic practice at all stages of their career.

The focus of this award is on professional development. The award therefore provides artists with the time and resources to reflect on, interrogate and advance their artistic practice.

The award supports a process of structured engagement with the development of theatre practice. There is a particular prioritisation on the development of a particular artistic impulse/artistic direction/area of theatre practice through structured research and experimentation and/or mentorship and/or collaboration.

Please note that proposals to work on the development of specific projects for development or production – or elements of productions - will not be supported through this award. Equally, proposals for ongoing formal professional training will not be supported.

The award aims to:

- Afford theatre artists the time and space to explore and/or research ideas towards a specific artistic impulse **and/or**
- Support theatre artists to develop their practice through investigation and research or through discrete training opportunities of non-accredited¹ study and/or non-vocational training **and/or**
- Afford theatre artists the time and means to be mentored by a practitioner/s with a significant national or international track record, **and/or**
- Enable an artist to undertake a residency of no more than one year duration with the partnership of an Arts Council funded arts centre or other relevant Arts-Council funded theatre organisation. In such cases, the

specific contents of the work programmes will be designed by the theatre artist in collaboration with an arts centre/festival/Arts Council-funded theatre organisation and the local authority arts office.

Priority will be given to applications from professional theatre artists:

- Who demonstrate ambition and vision in creating a considered and structured approach to a bursary programme
- Who demonstrate how their practice as a theatre professional will benefit from structured, timely support
- Who seek, through national/international collaboration and/or mentorship, to develop their practice and to deepen their understanding and appreciation of theatre as an artform
- Who demonstrate ambition through the quality of the proposed mentorship and/or who propose high-quality professional development support
- Who demonstrate the feasibility of their proposal by providing a realistic budget, timelines and evidence of appropriate supports, including artists' pay
- Who provide compelling examples of recent, relevant work and/or professional achievements
- Who genuinely seek to develop their practice through investigation and research or through discrete training opportunities of non-formal study and/or non-vocational training
- Who demonstrate the feasibility of their proposal by providing a realistic budget, timelines and evidence of appropriate supports, including artists' pay.

All awards are informed by the Arts Council's ten-year strategy (2016–25), *Making Great Art Work: Leading the Development of the Arts in Ireland* (see here: <http://www.artscouncil.ie/arts-council-strategy/>).

Definition for the purposes of this scheme

<p>Theatre:</p>	<p>The Arts Council’s definition of Theatre is either dramatic or post-dramatic work performed by actors in front of a live audience in the same space or location (which may or may not be a formal theatre space). It should include the essential elements of theatre such as performance, narrative momentum and dramatic tension. This does not mean there has to be a discernable story, <i>per se</i>, but the work must adhere to the broad structures of what is generally understood to be live theatre. This definition specifically excludes proposals to develop:</p> <ul style="list-style-type: none"> • audio-drama/radio plays • the recording of podcasts • performance art or durational live art • art installations • events such as public interviews, talks, lectures that are not linked and intrinsic to the theatrical work itself in a pre- or post-show context • any type of filmed/videoed performance, save where a performance in front of a live audience is being captured for live broadcast and/or future dissemination, and/or where public health guidance prohibits the attendance of audiences at live events. <p>Please note also that theatre events where the primary artform is not theatre, e.g. dance, music, and/or the main performers are not theatre practitioners, e.g. dancers, musicians, and/or where the primary focus of the work is participatory practice, will not be prioritised for theatre funding, and you should apply to the relevant artform team’s available awards. Further information available on www.artscouncil.ie.</p>
<p>Professional theatre artist:</p>	<p>Professional Theatre Artist: an individual working professionally in a creative capacity within a theatre context, e.g. playwright, theatre-maker, director, actor, designer (incl. lighting, sound, set, costume) and/or</p>

Theatre Bursary Award Round 1 2023: Guidelines for Applicants

	creative producer. While they might not earn income continuously or exclusively from their arts practice, applicants must identify themselves, and be recognised by their peers, as professional practising artists.
Mentorship:	One-on-one, regular, bespoke and structured support from an experienced artist or professional at a more advanced stage in their theatre practice or professional career than the applicant. There should be strong potential to benefit and advance the applicant’s work or approach.
Mentor:	An experienced individual practitioner who has a demonstrable track record as an expert in their field of theatre practice and whose ability to mentor is clearly defined and articulated.
Collaboration or Collaborative process:	A process where theatre artists from different areas of practice (e.g. actors, designers), bring expertise in different types of artistic practice and different disciplines to work jointly towards the creation of a piece of theatre work. While there may be a leader or nominated facilitator for this process, this is distinct from the more standard process of a collaboration in a rehearsal room where a director leads actors in a rehearsal process.
Residency:	A partnership between an artist and an organisation whereby the organisation will provide space and resources to enable the artist to develop their practice and their ideas. The artist may or may not produce a finished work at the end of the period of the residency, and the artist may or may not wish to develop a specific idea with the residency host in mind.
Funded theatre organisations	Organisations in receipt of Strategic, Partnership or Arts Centre Funding with a track record for theatre production and presentation—e.g. production companies, festivals, venues, and resource organisations working in theatre
Arts Centre	An arts centre that is funded by the Arts Council and is in receipt of either Arts Grants Funding or Arts Centre Funding

	and has a track record in commissioning, developing, producing and/or programming professional theatre for audiences on a regular basis.
Festival	A festival that is funded by the Arts Council and is in receipt of either Arts Grants Funding or Strategic Funding and has a track record in commissioning, developing, producing and/or programming professional theatre for audiences on a regular basis.

1.2 Who can apply?

The award is open to emerging, mid-career and established professional theatre artists working in all genres.

To be eligible to apply, applicants must:

- Be resident in the Republic of Ireland. There are certain exceptions where the Arts Council may deem eligible applications made by those based outside the Republic of Ireland. However, before admitting as eligible any such application, the applicant would need to explicitly outline within the application how the outcomes of any such proposal would benefit the arts in the Republic of Ireland, and the Arts Council must be satisfied with same.
- Be professional practising theatre artists – as set out under the definition above
- Demonstrate a track record with three relevant and recent examples of professional achievements.

As part of its [Equality, Diversity and Inclusion Policy](#), the Arts Council is committed to offering **equality of access, opportunity and outcomes** to all potential applicants regardless of their gender, sexual orientation, civil or family status, religion, age, disability, race or membership of the Traveller community, or socio-economic background. In this funding scheme the Arts Council particularly welcomes applications that are representative of the diversity of Irish society, including but not limited to any of the

characteristics outlined above, and/or initiatives that deliver equitable opportunities or outcomes for those involved.

1.3 Who is the applicant?

The applicant is the person who will receive any funding offered and who will be required to accept the terms and conditions of that funding.

Any funding offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant – e.g. if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details, must be in that name.

Variations such as Mary Barry or Máire Barry are not acceptable.

1.4 Who cannot apply?

People who are not eligible to apply include the following:

- Individuals currently in undergraduate education (including those undertaking foundation courses)
- Individuals seeking support towards fees for postgraduate, higher education—credited or unaccredited—or formal courses or modules.
- Individuals seeking support towards work undertaken as part of a formal course of study
- Individuals seeking support towards the costs of undertaking an internship or volunteer work
- We cannot accept applications from those employed or contracted on a full-time basis by an arts organisation funded through Arts Council programmes or through direct state subsidy or by a commercial arts entity

- Aosdána members in receipt of a *cnuas*.

You may only apply for **one** of the following awards in **one arts area** in 2023:

- Bursary Award, round 1
- Bursary Award, round 2
- Agility Award, round 1
- Agility Award, round 2

- Next Generation Artists Award
- Markievicz Award

1.5 What may you apply for?

The maximum amount that may be awarded to each successful applicant is **€20,000**. The minimum that can be applied for is **€5,000**.

Please indicate the amount you are applying for in **section 3** of the application form.

Please note that your application will be deemed **ineligible** if you apply for more than the maximum (unless you are applying for additional access costs) or less than the minimum amount stated above.

The bursary is available for up to one year; multi-annual awards will not be made.

The emphasis of the award is on providing artists with the time and resources to advance their practice. Therefore, the amount you request should include the amount you will pay yourself for the time you will spend developing your practice as an artist, and it should include fees or wages for any mentors, collaborators or training costs.

The amount you propose to pay yourself – and any mentors or collaborators that you might have working with you – should be commensurate with your/their career stage, the nature of your practice, and the duration of the proposal. Fees should be appropriate to industry standards within the theatre sector. You should pay yourself appropriately. Do not request less than you feel you need to achieve your objectives.

The award allows for costs intrinsic to supporting the development of the artist's practice – e.g.

- Appropriate fees for the time given by any mentors or collaborators working with you on the activity or activities for which you are seeking support
- Hiring of services that are critical to the development of your artistic practice provided the request is clearly linked to the proposal
- Materials (up to a maximum of 15% of the total amount requested) that are critical to the development of your artistic practice provided the request is

clearly linked to the proposal. Materials may include purchase of software licences linked to this proposal.

Access costs for artists or participants² with disabilities

In addition to the maximum amount permitted, the Arts Council will also consider access costs specifically relating to the making of work by artists or participants with disabilities and/or non-capital public-access costs (e.g. audio description, interpretation) in cases where your proposal has a public outcome.

The Arts Council takes the definition of disability from the UN Convention on the Rights of Persons with Disabilities, which states: 'Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.'

If you wish to apply for access costs, please upload the following information with your application:

- A short document outlining what your additional access costs are
- An amount for access costs in the expenditure section of your application-form budget. This figure should also be included in the total amount you request.

What is an access cost?

Access costs for artists or participants with disabilities cover any requirements you may have in order to remove barriers that might stop you from completing your proposal. This may include, for example, costs towards additional time needed to complete an element of your proposal or additional assistance required to deliver your proposed activity.

Note: in the event that you are requesting access costs, you should include information about the costs and how you arrived at them as part of your supporting documentation (see section 1.7 below).

²The Arts Council defines participants are those who express themselves creatively by taking part in artistic activities. In broader terms, this includes anyone who engages with the arts in any way at any level. For example, those attending an event, reading a book, watching a performance, and so on.

What are your chances of receiving support?

This is an extremely competitive award. Many more applications are received than it is possible for the Arts Council to support.

Where proposals are recommended for funding, we will aim where possible to provide in full the amounts requested. However, the Arts Council reserves the right to offer applicants a lower amount than that requested if proposals are considered to be feasible at a reduced scale.

1.6 What may you not apply for?

You may not apply for more than one bursary-type award (in any artform/arts practice) in any one round of funding. Activities and costs that you may not apply for include the following:

- Activities or costs that do not fit the purpose of the award because they do not develop your theatre practice, skills or work or are better suited to another award funded by the Arts Council
- Activities that are for the development of/for specific projects for production
- Subscriptions, including ongoing software licences, which are unrelated to this proposal
- Membership fees
- Costs towards supporting or undertaking an internship or volunteer work
- Activities that are more suited to another award funded by the Arts Council or operated by other state agencies, such as Culture Ireland
- Activities that have already taken place
- Activities undertaken for charity-fundraising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council, unless you demonstrate that you have developed the proposal since previously applying **or** if the Council has specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome.

1.7 What supporting material must you submit with your application?

Supporting material means material that is **separate from** and **additional to** your application form. This helps the person assessing your application to get a clearer understanding of your proposal. Please read very carefully what supporting material is required, as failure to comply with this is the most common reason for applications being deemed ineligible.

In order to be considered eligible for assessment under the Theatre Bursary Award, you **must** submit the following supporting material online:

- A detailed up-to-date CV (max. three pages) outlining your recent professional achievements
- Between one and three examples of recent relevant work demonstrating your artistic work – e.g. writing samples, images or video clips (of not more than ten minutes' duration)

Other supporting materials

- Where relevant, statements or letters of support from individuals or entities identified in the application that are integral to your proposal (e.g. participants or group representatives, other artists, collaborators, mentors, funders and any other partners)
- Evidence of any financial or in-kind supports itemised within your proposal and budget.
- Where your proposal relies on the expertise of other people or organisations, you should submit brief biographies outlining their expertise/accreditation, track record as well as, as detailed above, a letter of support outlining their involvement in your proposed work
- Please include a detailed separate budget setting out proposed income and expenditure including individual artists' fees for the bursary **ONLY** where it is not possible to cover such detail clearly within the application form. This should include evidence of appropriate levels of fees and supports agreed with mentors, collaborators and other included in the proposal, including fees to the applicant themselves. It should be clear in the application how these fees are arrived at
- In the case of a Residency application, please include a memorandum of understanding (MOU) between all of the applicant partners (i.e. the artist,

the arts centre or festival and the local-authority arts service); this should be detailed and include the following:

- An outline of the work programme/activities that the theatre artist will undertake during the residency
- Evidence of partnership collaboration
- A list of the cash, in-kind and infrastructural resources that will be made available to support the theatre artist
- A clear breakdown of the roles and responsibilities of each partner to the residency – theatre artist/theatre organisation, local-authority arts service and arts centre and/or festival.

Additional material required in certain circumstances:

- If you are seeking additional access costs to support work by individuals with access requirements, or to support access to your work by audiences with disability requirements, please provide a document outlining these costs, and outlining how they have been arrived at. Please also ensure that you include this additional amount as part of your budget.
- If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

For applications involving children and young people under the age of eighteen

The Arts Council requires all individuals and organisations providing services (e.g. cultural, recreational, educational) to *children and young people under the age of eighteen* to have suitable child-protection policies and procedures in place. When making an application, you **must** indicate in section 1 of the application form whether or not your proposal is relevant to this age group.

- If you answer 'Yes' to this question in the application form and your application is successful, as a condition of funding you will be required to confirm and demonstrate that you have suitable child-protection policies and procedures in place.
- If successful, you will be required to complete the Arts Council's Child Protection and Welfare Quality Assurance Self-audit at <https://childprotection.artsCouncil.ie/>. Please visit www.tusla.ie for more information on Children First.

Theatre Bursary Award Round 1 2023: Guidelines for Applicants

- You will also be required to update your details in the Profile Information tab in your Online Services account (do this by going to the 'Update your account' section).

For applications involving vulnerable adults

When making an application, you **must** indicate in section 1 of the application form whether or not your proposal involves work with or for vulnerable persons. By ticking the Yes box, you are indicating that you will work with, or present work to, this cohort as part of your proposal, and that you acknowledge that you have familiarised yourself with and adhere to the *National Policy & Procedures on Safeguarding Vulnerable Persons at Risk of Abuse** (see [here](#)).

* **Note:** you may be asked to provide more evidence of adherence to these policies should your application be successful.

If you do not submit the required supporting material, your application will be deemed ineligible.

Format for supporting material

All supporting material for this funding programme must be submitted online. Hard-copy supporting material will not be accepted.

- Moving-image and audio material must be submitted by way of **YouTube or other URL links** in a separate Microsoft Word or OpenOffice Writer document – see **Submitting URL links** in section 2.3 of this document.
- All other artistic material and other supporting material (e.g. budget, CVs, etc.) must be uploaded as **separate, individual documents**.

For further information on the formats you may use for supporting material you wish to upload as part of your application, see section **2.3 Prepare any supporting material required for the application**.

Note: Links to streaming platforms may be used to provide samples of work. Standalone supporting material such as CVs and letters of support etc. must be uploaded as separate documents with your application.

1.8 Eligibility

Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

1. You miss the application deadline.

2. You do not submit a completed application form through Online Services (an application form attached as a supporting document will not be accepted).
3. You fail to complete all of the sections in the application form relevant to your proposal.
4. You cannot apply as set out in sections 1.2 to 1.4 above.
5. You apply for an amount of funding less than the minimum or more than the maximum amount allowed for within the award to which you are applying, as set out in section 1.5 above.
6. You apply for an activity or purpose that you cannot apply for, as set out in section 1.6 above.
7. You fail to provide all mandatory supporting materials, as set out in section 1.7 above.
8. Your application is better suited to another funding programme offered by the Arts Council or by another funding agency (in this case we will redirect you to the more appropriate funding opportunity).

Note: in the event that your application is ruled ineligible, it will not be assessed, and you will be able to apply again with the same proposal in future funding rounds.

1.9 How long will it take to get a decision?

The length of time it will take us to make decisions will depend on how many applications we receive. In general, depending on the volume of applications, it will take somewhere between twelve to fifteen weeks.

2. How to make your application

2.1 Register with the Arts Council's Online Services

All applications must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted. You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here: <https://onlineservices.artscouncil.ie/register.aspx>.

Within five working days you will be emailed a unique ARN (artist reference number) and password that you can use to sign in to Online Services.

Requirements for using Online Services

Your computer and web browser will need to meet the following requirements to use Online Services successfully:

PC Windows 7 operating system or a newer version of Windows *with* browser versions: Microsoft Edge (v.94) or Firefox (v.27) or Chrome (v.33), or a newer version of any of these browsers.

Mac Mac OS X v10.5 Leopard or a newer version of Mac operating system *with* browser versions: Safari (v.3.1) or Firefox (v.27) or Chrome (v.32) or Microsoft Edge (v.94), or a newer version of any of these browsers.

Note: if Safari 11 prevents the upload of documents, use a newer version of Safari or use a different browser such as Firefox, Chrome or Microsoft Edge.

Note: you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form itself. OpenOffice Writer is free software that can be downloaded here: <https://www.openoffice.org>.

OpenOffice Users

Please refer to our video *Using OpenOffice to download, complete and upload the application form* at <https://www.youtube.com/watch?v=iT9Xxgmg0Eo>

You **must** use OpenOffice Writer version 4.0.1 or earlier. More recent versions of OpenOffice Writer than 4.0.1 have changed how our application forms appear when they are submitted through Online Services.

Important notes for Apple Mac users

- Note the section in the YouTube video (at 1 min. 20 secs; link provided above) that deals with the issue of downloading version 4.0.1 on Macs with the operating system Mac OS Mojave or an earlier version installed.
- You cannot download OpenOffice 4.0.1 onto a Mac with the operating system Mac OS Catalina. If your Mac has this operating system or a newer version installed, you will have to download and use OpenOffice version 4.1.9 or newer.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.

Upload times can be much longer than download times. It may take longer than you think to upload your supporting materials.

Getting technical support

If you need technical support while making an online application, you can contact the Arts Council by emailing onlineservices@artscouncil.ie or by phoning 01 6180200/01 6180243. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches and that technical-support calls received after 2.00pm on the closing date may not be resolved before the deadline.

2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

Note: the application form is formatted in such a way that the Arts Council can extract information from the form for assessment purposes. It is **very important** that you type inside the grey boxes in the form, and that you do not delete them and/or type outside them. If you do this, the form will not upload properly.

2.3 Prepare any supporting material required for the application

You are required to include supporting material with your application. For example, this might include a CV, or samples of your current work – e.g. text, video, images, or sound recordings (see section **1.7 What supporting material must you submit with your application?**).

You must submit all such supporting material online – if necessary, you should scan or save material in electronic format.

Acceptable file formats

The following table lists file formats that are acceptable as part of an application for a project award.

File type	File extension
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Acrobat Reader files	.pdf

For convenience, gather together all the files you need in an accessible location on your computer.

Submitting URL links

Note: Links to streaming platforms may be used to provide samples of work. Standalone supporting material such as CVs and letters of support etc. **must** be uploaded as separate documents with your application.

Instead of uploading material directly, you may provide links to material hosted on streaming platforms that do not limit access through financial subscription. To do this, copy the URL (the full address of where your material is hosted) into

a Microsoft Word/OpenOffice Writer, or PDF document and upload it as a weblink-supporting document.

While not an exclusive list, examples of acceptable sharing platforms would be YouTube, Vimeo, SoundCloud, Bandcamp.

Please note that we will not accept links to file sharing sites (e.g. Google Drive) nor links to social media platforms nor to individual applicants' websites.

Note: assessors will only view materials as submitted by you according to the URL link that you provide. Check that the link works from within the document you upload – i.e. that it links correctly to your material.

If you do not wish material you upload to YouTube for your application to be publicly viewable, you can flag your video as 'unlisted' in the settings. Please do not flag your material as 'private' as it will not be accessible to Arts Council assessors.

Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, a sample text, or a review of previous work.

Please submit supporting documents in separate, appropriately named files.

The total combined limit for all supporting material uploaded with a single application is **40MB**.

2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it.

2.4.1 Choose a funding programme and download application form

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to

apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so).

2.4.2 Request funding amount

At this stage specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The **Amount requested** should equal the **Total expenditure** minus the **Total income**. The final figures you enter here should be the same as those you enter in section 3 of the application form and in your detailed budget.

2.4.3 Upload application form and supporting material

Follow the prompts to upload your completed application form, CV or CVs, detailed budget and any other required supporting material (see section **1.7 What supporting material must you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft and come back to it later.

Note: if you have completed your application form as a **.docx** file, and you are confident that your application form is filled in correctly (including typing inside the grey fields), but online services displays a message saying 'Cannot upload form', please try saving it as a **.doc** file and uploading it again.

2.4.4 Submit application

When you are satisfied that you have uploaded everything you need to support your application and ticked the declaration, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later and will contain your application number, which will be used in all correspondence relating to this application. **Note:** it is important that you contact onlineservices@artscouncil.ie if you **do not** receive the second confirmation email containing the application number.

3. How we assess your application

3.1 Overview

The Arts Council considers all applications, makes decisions, and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for awarding funding is fair and transparent.

3.2 The assessment process

Once received, your application will be processed by the Arts Council as follows:

-
- 1 After you submit your application, you should receive two emails:
 - The first will be sent immediately and will acknowledge your application.
 - The second should arrive a few minutes later. It will contain your application number, which we will use in all correspondence about your application.

Note: these emails only mean that our online system recognises that you have submitted an application. They do not mean that your application is eligible to be assessed.

If you do not receive the email with your application number, contact onlineservices@artscouncil.ie

-
- 2 Your application is checked for eligibility. Please see section **1.8 Eligibility** above.
 - 3 In some cases, the arts area to which you have applied may not be the best fit for your proposal. In such a case, we will contact you and ask you if you are happy for us to move your application to a more appropriate arts team. You will then have a choice to have your application moved, or for it to remain under the arts area to which you applied.
 - 4 Adviser(s) and/or staff make an assessment of the application based on the criteria for assessment and scoring process set out below.
 - 5 Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.
-

- 6 A peer panel reviews all shortlisted applications and associated materials, then scores and makes decisions.

-
- 7 Decisions are communicated in writing to applicants.

-
- 8 Decisions are noted by Council.
-

3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the available resources. All applications are assessed against criteria of:

- Artistic quality
- How they meet the objectives and priorities of the award
- Feasibility

Each of these criteria is assessed as follows:

Artistic quality

The assessment of artistic quality focuses on the artist's previous practice as well as on the nature of the proposal. This includes:

- The track record and/or the potential of the artist demonstrated through the application form, CV and other supporting materials submitted
- The proposed arts activity or activities as outlined in the application form
- The practice of the artist demonstrated through the supporting materials submitted
- The artform/arts-practice context in which the activity is proposed
- The ambition, originality and competency demonstrated by the artist
- The track record of the mentor and quality of the mentorship programme, if relevant to the proposal, as demonstrated through the application form, CV and other supporting materials submitted
- The quality and appropriateness of supports offered from partner organisations, if relevant.

Meeting the objectives and priorities of the award

Applications are assessed on how well they meet the objectives and priorities of the award – see section **1.1 Objectives and priorities of the award** for details.

Such assessment might include, for example, consideration of the extent to which the artist's practice might benefit and be developed as a result of the proposed activity or the extent to which particular identified priorities are addressed.

While applicants may choose other artforms/arts practices relevant to their application, the assessment will be undertaken by the team specific to the chosen primary artform, which may, in certain instances, ask for a secondary assessment from another arts team.

Feasibility

The assessment of feasibility considers the extent to which the applicant demonstrates a capacity to deliver the proposed activity. This includes consideration of:

- The proposed timetable or schedule
- The amount of funding requested relative to the nature and duration of the work proposed
- Where relevant, the availability of other supports/partners identified in the application.

3.4 Peer-panel process

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts-practice expertise, and/or with a broad working knowledge and general understanding of the professional arts.³

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely

³ In the case of artforms with smaller numbers of applications, panels may be convened to consider groups of applications at the same panel meeting.

that the Arts Council will be able to fund only a proportion of the applications received.

Panel scoring process

The panel is asked to score applications according to the following system:

- A – Must Fund (10 points):** this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.
- B – Should Fund (8 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.
- C – Could Fund (5 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.
- D – Not a Priority (2 points):** this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An 'interest' is either 'pecuniary' (e.g. where a person may stand to gain financially from a decision) or 'non-pecuniary' (e.g. familial relationships or partnerships, personal friendships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when s/he is approached to sit on the panel (if the 'interest' is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

In some instances a panellist may not realise that a conflict of interest exists until s/he receives and reviews the panel papers. In such instances the panellist

must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest s/he must declare it in writing in advance of the meeting as soon as s/he becomes aware of it. In this instance the head of team will chair the discussion on the conflicted application.

3.5 Outcome of applications

All applicants are informed in writing about the outcome of their application.

If your application is successful, you will be sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. If your application is not successful, you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been better suited to a different award programme, an exception may be made. In such circumstances you will be informed in writing.

3.6 Appeals

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council's published procedures. If you feel that the Arts Council's procedures have not been followed, please see the appeals process at

http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx or contact the Arts Council for a copy of the appeals-process information sheet.
